### Tryout Information:

Tryouts for the 2007-2008 Titans golf team will be the 2<sup>nd</sup> week before school starts at Plantation and Westridge golf courses. We will be at Plantation on August 15<sup>th</sup> at 1:00 pm, and at Westridge on August 16<sup>th</sup> at 1:00 pm. Those times MAY change, but more details will follow throughout the month of May. Please keep in contact with Coach Hamric-Sadler or Coach Jackson throughout the remainder of the school year and through the summer via email or phone. There is no exact score that we could tell you right now that you would have to shoot to make the team. But please be aware that it is quite

competitive! There will be cuts made! We will keep approximately 15-20 boys. Girls will make the team if you come to tryouts! ☺ We need you and we can make you a better golfer!

### **Summer Tournament, Camp, and Workout Expectations**

If you have not yet played competitive golf, this is the summer to start! Getting lessons and playing in junior tournaments should be in your plans for this summer! Lessons are the best place to start. Please contact Joe Bustetter at Westridge golf course, Bruce Sims at Plantation, or Chris Schindler at TPC Craig Ranch and they can provide you with the best teaching in the area! Coach Hamric-Sadler coaches camps at University of Texas every summer, so you could sign up for that camp, or any other local camps. Plantation, Hank Haney, and TPC are offering camps. Check the websites below for camp sessions and prices.

Junior tournaments begin right after school lets out, so there will be plenty of opportunities to play competitively. There are some websites below to check out those as well. If you play in a tourney, keep your stats and turn them into the coaching staff at tryouts. Get better everyday and make it happen!
